

## GRANTS FOR MOVIE EQUIPMENT

All grants requesting movie equipment will be routed by CNIC through the Navy Motion Picture Service (NMPS) program for vetting. When submitting a grant request a quote with specific costs and equipment must be provided. No purchase or use of dvd or blu-ray players are permitted. See attached for NMPS suggested equipment and a quote.

After Action Reports with Back-up Documentation is **Due 30 Days** after receiving of the purchase equipment. Send to: [rec\\_prgm\\_grants@navy.mil](mailto:rec_prgm_grants@navy.mil)

---

Michele,

I have attached a quote from Open Air Cinema. It will include a complete outdoor setup in one package. The quote is from this past summer (2016) so the pricing may be a bit off but it should not be by much. You can contact Open Air directly with the info included on the quote. The only thing the site would need is the NDVD player. Please take a look and let me know if you have any questions.

R/,
